

## Introducing Our New Web Address...

# www.csbbankonline.BANK

In keeping with our commitment to protect the personal information of our customers, Community State Bank has migrated from our .com website address to our new web identity – [www.csbbankonline.bank](http://www.csbbankonline.bank)

### VISIBLE SECURITY:

The .bank environment is the future of financial services and offers many enhanced security features and advantages:

- 1) **Verification:** .bank is *only* available to verified financial institutions
- 2) **Domain Name Integrity:** assurance that you are not at a fake site
- 3) **Strong Encryption:** confidentiality for all online transactions

(American Bankers Assoc.)

Look for the yellow padlock in the search bar to ensure you are on a secure site. Our original .com address will automatically redirect you to the new site, so accessing it continues to be easy and convenient.

*“Safe, Secure and Here to Serve You”*
