

# My Credit Report with Community State Bank

Monitor your credit score for free and take control of your financial future!

Having quick access to your Credit Report can help you prepare for renting an apartment, buying a home, car, or even getting that great job. Knowing your credit score, working to improve it, and taking charge of your financial health is now even easier with CSB's free My Credit Report.

## BENEFITS

The benefits go beyond just giving you a credit score. My Credit Report allows you to...

- > **Receive** real-time alerts of major changes to your report to help prevent fraud.
- > **Access** educational tools and clear, concise tips to improve your credit score.
- > **Understand** the factors that impact your credit score.
- > **Work towards** your financial goals with milestone celebrations and simulator tools.
- > **Identify** potential credit bureau errors.

## ADDITIONAL INFO

Take advantage of this great offer today. Below is additional information.

- FREE to all CSB consumer customers as part of CSB Online Banking & My Mobile CSB
- Utilizing My Credit Report does not ever hurt your credit score

## HOW IT WORKS:

- > Login to your CSB Online Banking or My Mobile CSB.
- > Select the My Credit Report icon to review disclosures and complete the sign-up process.
- > Review your current credit report for errors, setup alert notifications, identify financial goals, and much more.
- > Access your profile as often as you would like to review your score and track your progress.

If you have additional questions about My Credit Report or the benefits to you, reach out to your CSB team.
